

# ANNUAL TEEN DIGITAL REEL SHOWCASE & AWARDS

## TOWER OF YOUTH

This Sacramento Sierra region all teen youth media and communication arts organization is dedicated to develop and promote digital literacy, education system modernization, a world class media workforce, economic and community growth through its training, partnership networking and media showcase programs. Empowering youth voice is the heart of our work by introducing, elevating and channeling computer supported creativity to its highest accomplishments. YOUTH ARE THE SOLUTION, NOT THE PROBLEM! The Tower of Youth shows the way to bring youth, educators, industry, community and government leaders together in a new paradigm of breakthrough excellence and quality in all our lives.
